

# LISTEN AND CORRECT

1 - I usually have nightmares of spiders. Last night I dreamt that I was in my house and I found a dead spider. It not moved but suddenly it climbed up my leg. I was afraid and I started to hit my legs but it not came out. I could feel the spider below my trousers. I felt anything strange and it suddenly hurt a lot. The spider bitted my leg and it started to get bigger and bigger. Then I wake up. There was no spider but I couldn't sleep again. Dreaming about spiders is quite common, sometimes it mean that somebody in your family is very strict or bossy. **(8 MISTAKES)**

2 - My sister sometimes haves nightmares about his teeth falling out. Yesterday she dreamt that she was in a restaurant. She eating pizza and suddenly she felt something strange in her mouth. A tooth comes out of his mouth. She was surprised but she wasn't afraid. She continue eating but more and more teeth came out of his mouth. She was really worried and scared. She doesn't know what to do, she wanted to shout but she couldn't. Then she woke up but she could to go back to sleep again. Dreaming about teeth falling is quite common, it could means that you are anxious or that you can't express yourself. **(10 MISTAKES)**

3 - People sometimes dream of *being chased\**. Last week I dreamt that I was being chased by a bull. I was in a town and there was a lot of people. Suddenly I hearded people running and shouting. Then appeared a bull from nowhere. It came running towards me. I thought it was a strange kind of animal because it not looked like a bull. I was really afraid because I shouldn't run, it came closer and closer. I climbed a tree and I could escaped but the bull was their. Dreaming about being chased usually means that you running from you're problems. **(10 MISTAKES)**
