

LISTEN AND CORRECT_KEY

1 - In the morning I usually wake up at quarter past seven but I am quite lazy and I stay in bed until quarter to eight. During the week I always go to school at eight o'clock and I am always late, I'm not kidding. I am not really hard-working but I like going to school. I never come back home until half past two. In the afternoon I watch TV until five o'clock. I usually do homework around six o'clock. I like cooking but I don't like doing errands. I sometimes cook dinner during the week. At the weekend I never cook because I usually do homework and meet my friends.

2 - In the morning I usually wake up at half past six. I am not very lazy and I never stay in bed. During the week I always go to school at eight o'clock but I am never late. I am not really hard-working and I don't like going to school. I hardly ever come back home until quarter to three. In the afternoon I watch TV and do homework. I usually finish homework around half past six. I don't like cooking and I don't like doing errands. I never cook dinner during the week. At the weekend I sometimes cook because I usually make pizza for my friends.

3 - In the morning I usually wake up at quarter to seven but I am a bit lazy and I stay in bed until quarter past seven. During the week I always go to school at eight o'clock and I am sometimes late. I am really hard-working and I like going to school. I never come back home until quarter to three. In the afternoon I do errands and watch TV until five o'clock. I usually eat the afternoon snack and do homework around six o'clock. I like doing errands, I'm kidding, I hate it, but I sometimes help my father cleaning the house. I never cook, I don't like cooking. At the weekend I sometimes do homework and play chess.
