## 1. Fill in the gaps with the appropriate word/s.

My name is Jack and \_\_\_\_\_ 14 years old. I think that I am kind but I'm not r\_\_\_\_\_ t\_\_\_\_\_ because I am very shy. Some students at school think that I am boring because I d\_\_\_\_\_ l\_\_\_\_\_ t\_\_\_\_\_. Sometimes other students tell me that I h\_\_\_\_\_ more talkative and more outgoing... but I can't! I'm shy and I get angry when they tell me that. I guess that I should be m\_\_\_\_\_ outgoing or f\_\_\_\_\_ or m\_\_\_\_\_ talkative... but I can't! I really c\_\_\_\_\_!

I l\_\_\_\_\_ l\_\_\_\_\_ my father... some people think that he is boring or that he is not funny... but he is just shy! I know that he is funny because at home I have a l\_\_\_\_\_ o\_\_\_\_\_ f\_\_\_\_\_ with him. I know that he is t\_\_\_\_\_ because we talk a lot about life in general. He is a teacher and yesterday he c\_\_\_\_\_ to work because he h\_\_\_\_\_ to the doctor. He has got some stomach problems, but it is nothing serious. I like his school because students can wear what they want and they d\_\_\_\_\_ h\_\_\_\_\_ stay at school during the break. As far as I know it is j\_\_\_\_\_ and a good thing is that all students are responsible and nobody skips classes. But t\_\_\_\_\_ b\_\_\_\_\_ t\_\_\_\_\_ t\_\_\_\_\_ students don't have to do homework at home and they can learn interesting things.
